*Celebrating Potential*

## FUNDRAISING COMMITTEE

### *200 Club*

#### INFORMATION LEAFLET AND APPLICATION FORM

The 200-Club is a fundraising venture that has operated successfully for the past number of years. This is a fun way of contributing to the school, with the possibility of receiving something in return!

#### **MEMBERSHIP**

It costs a mere R20 per month. Names of all members go into a draw at the quarterly Fundraising Committee Meeting for a monthly prize of R1000. The balance of the funds is then allocated, at the Headmasters' discretion to small capital projects at the school.

#### **PAST ALLOCATION OF FUNDS**

The 200-Club has contributed towards stage lighting and curtains in the Boonzaaier Centre, wooden benches for the campus, completed the tiling and installation of toilets at the squash courts as well as contributing to the extension of the pavilion – to name but a few.

#### **METHOD OF PAYMENT:**

Once a year, in April, R240-00 [cost of a single membership] will be added to your school account. Should you join during the course of the year, you will pay pro rata. Your membership will be renewed automatically every year, unless we are otherwise informed. Please advise us via e-mail or fax should you wish to terminate your membership. Multiple memberships for families are welcome. It increase your chances of winning and you may take extra memberships for each of your children, for outside family and friends. You can calculate your contribution by multiplying the cost for a single membership with the number of memberships you want. **Please forward the completed application form to [cvs@somcol.co.za](mailto:cvs@somcol.co.za) or fax it to 021 842 3908.**
